LEGEND

- Part 4
- 2km Study Area
- Prelimiary Order Limits
- District Boundary
- Sheet Extent
- Biodiversity Opportunity Areas (BOA)
- Biological Notification Site (BNS)

The data received from the Local Environmental Records Centre (LERC) does not fully cover the 2km study area. As such, the absence of records in certain locations should not be interpreted as an absence of data, but rather as a limitation in data availability.
